

RIDDICK LOSES TO CAPTAIN MAYO

End of Bitter Municipal Campaign in City of Norfolk.

VICTORY FOR REGULARS

Trehy Organization in Complete Control of Every Department of Government.

(Special to The Times-Dispatch.)
Norfolk, Va., June 11.—Mayor James G. Riddick was defeated today after one of the bitterest municipal campaigns Norfolk has seen in several years. With returns missing from one of the sixteen precincts, Captain W. H. Mayo has a majority of 210, which will be increased by the final returns. Thomas S. Purdie was re-elected member of the Board of Control by a larger majority than that of Captain Mayo, and a majority of the regular Democratic Council candidates was elected over the independents.

The result of today's election puts the Trehy organization in complete control of every department of the government, and means the political retirement of Dr. James G. Riddick, who has long been a thorn in the flesh of the organization.

Probably a dozen of the forty members of the Council were elected by the independents.

There were a few fights at the voting places and a number of heated arguments. In the Hunterville Precinct, one of the judges was assaulted by one of the candidates.

Elected Without Opposition.
[Special to The Times-Dispatch.]
Alexandria, Va., June 11.—Thomas A. Fisher was elected Mayor of the City today without opposition. The twelve Democratic nominees for Council were also elected without opposition. There were two new Councilmen also elected. They are Robert E. Barrett and William Desmond, from the First and Second Wards, respectively. A light vote was polled.

Both of these candidates were elected for the unexpired terms of Hubert Snowden and Louis W. Brill. Their places in Council are, however, being filled by Councilmen Urban S. Lambert and Robert M. Graham, both of whom were elected by City Council.

The seating of Messrs. Barrett and Desmond will be contested by the incumbents and before the newly elected Councilmen get their seats they will have to go to court and have the matter thrashed out.

Mayor Fisher will be inducted into office September 1 next. He succeeds Mayor F. J. Raff, who was not a candidate for re-election.

No Tickets Provided.
[Special to The Times-Dispatch.]
Williamsburg, Va., June 11.—No election was held in Williamsburg for municipal officers, owing to the failure of the city electoral board to provide tickets at the time required by law. So little interest has been taken in the election, the regular Democratic nominees having no opposition, that the board and most of the people forgot all about it. Some one called the attention of a member of the board to the fact that this was election day, and the local printer was hastily put to work printing ballots. Circuit Court being in session, the legality of such proceedings was referred to Judge D. G. Tyler, who, after conferring with Commonwealth's Attorney N. L. Henley, decided that it would be illegal to hold an election under the circumstances, and that the old officers would hold over till their successors were elected and qualified. The officers who would have been voted for today are the same as at present, except in one case. One member of the present Council, Captain L. W. Lane, was not a candidate for re-election, and was succeeded by W. L. Jones, Captain Lane's resignation, and Mr. Jones' election to fill the vacancy would carry out the will of the voters, and if this is done a special election will probably not be called.

Independent is Elected.
[Special to The Times-Dispatch.]
Winchester, Va., June 11.—Charles W. Ramsburg, a Republican, running as an independent candidate, was today elected Mayor by ninety-three majority over E. Evans, who had been nominated by the Democrats. The Democrats elected five of their six candidates for Common Council by substantial majorities. James Brown, an independent Republican, defeated Henry Deihl, Democrat, by a majority for Councilman from the Second Ward. Evans' defeat is attributed to "dry" Democrats. The Republicans had no regular ticket in the field.

The Secret of Success

Genuine Merit Required to Win the People's Confidence

Have you ever stopped to reason why it is that so many products that are extensively advertised all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has no curative value almost sells itself, as, like an endless chain system, the remedy is recommended by those who have been cured to those who are in need of it.

In an interview on the subject a prominent local druggist says: "Take, for example, Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for almost every case it shows immediate results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

The success of Dr. Kilmer's Swamp-Root is due to the fact that it fulfills every wish in overcoming kidney, liver and bladder diseases, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

A free trial bottle will be sent by mail, absolutely free. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper. Regular size bottles sold at all druggists—50c and \$1.00.

TRIBUTE IS PAID TO HEROIC DEAD

Thousands Join in Memorial Day Observance at Petersburg.

ALDERMEN AMEND BUDGET

Medical Association in Session. Mayor and Councilmen Elected.

Times-Dispatch Bureau,
5 Bollingbrook Street,
Phone 1133.
Petersburg, Va., June 11.

Petersburg this afternoon paid its annual tribute of love and respect to the memory of the brave soldiers of the South whose remains rest in beautiful old Blandford Cemetery. Many thousands of the men, women and children of the city and of the three counties adjacent assembled in the cemetery to take part in the exercises and to lay their tributes of flowers and evergreens and flags on the graves of the heroes who fell in defense of their State and country.

There was no distinction between the graves of the known and the unknown. All received like attention, and all fared alike. The exercises were held under the auspices of the Ladies' Memorial Association, under whose gentle and reverent care the Confederate soldiers' graves have long been held, and have been wonderfully improved.

Lee and Pickett Veteran Camps of Richmond joined with A. P. Hill Camp of this city, in honoring the memory of their departed comrades; as also did the Petersburg Grays, the Sons of Veterans, the Daughters of the Confederacy and the Junior Memorial Association. Homer A. Atkinson, of A. P. Hill Camp, was chief marshal of the day, and he formed the line of parade in Sycamore and Tabb Streets. The parade was a military one, and moved off in the following order:

1. Uniformed police.
2. Chief marshal and staff.
3. A. P. Hill Camp drum corps.
4. Petersburg Grays, as escort to the veterans.
5. H. E. Lee Camp, C. V., of Richmond.
6. George E. Pickett Camp, C. V., of Richmond; Junior Memorial Drum Corps.
7. A. P. Hill Camp, C. V., of Petersburg.
8. A. P. Hill Camp, Sons of Veterans.
9. Carriage with invited guests.

The line of march was up Sycamore to Wythe Street, at which point the veterans took cars to the cemetery, rejoining the line on arrival there, and marching to Memorial Hill. All business was closed in the city after 4 o'clock.

The exercises at the grandstand in the cemetery were simple but impressive. Prayer was offered, appropriate hymns were sung, the oration of the day was delivered by the Rev. Charles R. Stribling, the benediction was pronounced, and the vast assemblage was dismissed to the reverent duty of decorating the graves. The address of Dr. Stribling was an orate oration, embracing noble tribute to the South and its heroes, as well as to the blessings of the restored peace of a reunited country.

Budget Amended.
The Board of Aldermen at their regular meeting last night, voted concurrence in all measures sent up from the lower branch, and transacted a great deal of routine business. The board, however, amended the city budget as passed by the Council last week, in several minor particulars, which will necessitate the return of that measure to the Council for approval. Some of the appropriations were cut, and others added to. The Council last week refused to put in the budget an appropriation for the salaries of city officials. The board last night increased by \$100 a year the salaries of Assistant Sanitary Inspector Eames, and of Keeper Bullant, of the water works dam. The amendments make very slight change in the aggregate of the budget.

The Council some months ago appropriated \$10,000 to rebuild the posthouse, which had been destroyed by fire. The building was never restored, and the money remains in the treasury. Last night the board appropriated an additional \$1,000 for this purpose. The appropriation of several cases of smallpox in the city, and the apprehension of the spread of the disease without sanitary facilities or its treatment, caused the action of the board. At present all cases are quarantined in the city.

Medicine in Session.
The Southside Virginia Medical Association met in twenty-seventh session this afternoon in the hall of the R. E. Lee School, on Washington Street, with a goodly attendance of about 100. The address of the president, Dr. J. E. Ramey, of Suffolk, was delivered, and a number of important papers on medical and surgical subjects were read by members and visiting physicians of prominence, several of them from Richmond.

The association was entertained in the evening at the Country Club, where the night session was held and concluded. Additional papers were read during the night session.

Mayor and Councilmen Elected.
The City of Petersburg this afternoon nominated at the municipal primary in April, was elected to-day without any show of opposition, as follows:

Mayor, George Cameron, Jr.

Aldermen and Councilmen.
First Ward—Aldermen, John E. Howell; Councilmen, J. B. McCullough, Jas. W. Wells.

Second Ward—Aldermen, Horace J. Jos. B. Prince.

Third Ward—Aldermen, G. C. Wright; Councilmen, R. M. Craddock, W. E. Young.

Fourth Ward—Aldermen, W. G. Andrews; Councilmen, W. T. Slaughter, J. E. Young.

Fifth Ward—Aldermen, P. H. Hawkins; Councilmen, W. A. Baxter, R. W. Wells.

Sixth Ward—Aldermen, T. F. Kidd; Councilmen, A. F. Young, W. R. Turner.

A very light vote was polled. There being no opposition in any of the wards, the people generally did not deem it necessary to go to the polls.

Declined Call to Richmond.
The Rev. Pembroke W. Reed, pastor of St. John's Episcopal Church in this city, has declined the call to St. Andrew's Church in Richmond, recently extended him. To the gratification of his congregation, Mr. Reed will remain and continue his work in Petersburg.

Death of Mrs. Motley.
Mrs. B. Motley, widow of W. B. Motley, died last night at the home of her daughter, Mrs. J. W. Stone, on Shepard Street. The body will be taken to Blackstone for burial tomorrow. Deceased is survived by one daughter, Mrs. Stone, and two sons, L. E. and C. E. Motley, of Blackstone.

The Only Way

competition "regulates" the Service in such a public utility as electric light and power IS BY IMPAIRING THE QUALITY OF THAT SERVICE—making it grow steadily worse and worse. The only way competition "regulates" the Price of Public Service in electric light and power IS BY MAKING THAT PRICE HIGHER FOR ALL FUTURE TIME.

COMPETITION in the providing of any public utility IS NOT, AND NEVER CAN BE, REGULATION. Such competition only leads to the EXPLOITATION OF THE COMMUNITY that permits it, and, if persisted in, inevitably piles up a burden of financial disaster, for which THE PUBLIC HAS TO PAY.

This has been PROVED by the experience of hundreds of cities and towns. But no further proof is needed than the experience of Newport News, as narrated by Mr. W. S. Copeland in his recent letter to The Times-Dispatch. YOU know who Mr. Copeland is, and YOU know that HE KNOWS WHAT HE IS TALKING ABOUT. He cites the facts and figures which PROVE that competition in electric service in Newport News brought "one long string of financial disasters," and that

"THE PUBLIC WAS THE GREATEST SUFFERER. The money which the old company should have spent in keeping up the property and extending its lines was squandered in fighting competition and in buying competing plants. A result, the property went down and down until it came near going to wreck.

"Not only were no extensions made, but the power plant wore out, and for more than a year the situation was desperate. The power plant broke down day after day; the car service was so uncertain that it could not be depended upon; LIGHTS WENT OUT NIGHT AFTER NIGHT, FREQUENTLY WHEN THE PEOPLE WERE ASSEMBLED AT THE THEATRES OR IN CHURCH, OR IN SOME OTHER PUBLIC PLACE. Times without number MERCHANTS HAD TO USE CANDLES SATURDAY NIGHTS TO LIGHT THEIR STORES, and newspapers and other small plants using electrical power were subjected to ALL MANNER OF INCONVENIENCE AND DISTRESS.

"In fact, the situation became so bad that the city APPEALED TO THE STATE CORPORATION COMMISSION FOR RELIEF."

In Richmond SERVICE OF THE BEST QUALITY—Service that is UNSURPASSED and that is SATISFACTORY to its users—is provided at a price that is not only fair and reasonable, but EXCEPTIONALLY LOW, by the Virginia Railway and Power Company, which company, in all its business, IS SUBJECT TO FULL AND COMPLETE REGULATION AND CONTROL BY BOTH THE CITY AND THE STATE.

Do YOU see any REASON why the City of Richmond should perpetrate the INJUSTICE TO HER PEOPLE of granting a competitive light and power franchise?
